

Watertown Cooperative Nursery School

Children's Concert & Open House Saturday November 4th, 10am-Noon

We proudly start the open house with a **free concert** by our music teacher, multiple Grammy nominee and king of Boston kiddie folk music, **Alastair Moock!** Then everyone is welcome to our preschool to stay and play, come get to know us!

- Meet our warm teachers and involved families.
- See our spacious, sunny classrooms!
- Learn about our extended hours options.
- We are a multi-age cooperative preschool for children 2.9 - 5yo with a play-based curriculum focusing on Social Emotional Learning and are dedicated to outside play and learning. (We are not religiously affiliated, but rent our space from Grace Chapel.)
- We believe that the best environment for learning is one in which individuals are deeply known and seen, and feel safe to express their ideas and identify their emotions. At WCNS, children develop a deep sense of agency, of self-confidence, and of belonging to a community.

We look forward to meeting you!
