In addition to parent helping in the classroom, each family must serve on a committee within the school. Please check one or more area(s) of interest (this is just a guideline for us; you are not committing to being on a specific committee at this time):

## SCHOOL FEES

A \$50 non-refundable application fee must accompany this application. Upon acceptance of your child, a non-refundable deposit of \$450 is due in order to secure a place for your child in the school. This deposit is deductible from the year's tuition during the last payment cycle.

Tuition for the 2020-2021 school year for enrollment was \$8,606. This covers the standard school week of 5 days per week; fewer mornings per week are charged at a prorated cost. Tuition is expected to increase incrementally each year.

*Extended day options are available at an extra cost. Admission priority is given to: current student and alumni siblings, 5-morning-a-week applicants, and applicants who commit in advance to school-year extended day schedules.*
